EDUCATION

Bachelor of computer science Shree Chandrababhu Jain college

08/2018 - Present

Courses

- completed python course

HSC SMD HINDU HR.SEC.GOV.SCHOOL

06/2016 - 06/2018

PERCENTAGE-77%

CHENNAI

- COMPUTER SCIENCE

PERSONAL PROJECTS

Todo List App (05/2021 - 06/2021)

- I created this Todo list app using Django, Python, Html, CSS, Postgres SQL. They're written on a piece of paper or post it notes and acts as a memory aid.

Blog App (05/2021 - 05/2021)

- I created this to demonstrate my skills such as Django, Python, Html, CSS, Postgres SQL. I post my day to day thoughts in my blog

Barber Shop website (05/2021 - 06/2021)

- It is a simple static website created using HTML5 and CSS3 to demonstrate my skills

Online resume website (05/2021 - 06/2021)

- It is online resume website. I also attached this website link or you can simply type krishdeva01.pythonanywhere.com to see my portfolio as well as my projects.

PYTHON(FRESHER)

Python Django developer making self projects

01/2021 - Present

chennai

Expert in Python , with knowledge of at least one Python web framework
{(such as Django depending on your technology stack)}

SKILLS

python3

Django

HTML5

CSS

Postgresql

Data science

Machine learning

Git

CERTIFICATES
